The Registrar's Office is happy to release the President's Honor Roll and the Dean's List of Academic Honors for the Fall Semester 2025.

The student names appearing on the President's Honor Roll are undergraduate students who have achieved a 4.0 grade point average in all work attempted while enrolled in not less than twelve semester hours and have earned a "CR" in all developmental coursework. A student may have no courses with a mark of X, IP, or MG.

The student names listed on the Dean's List of Academic Honors are undergraduate students who have achieved a grade point average of at least 3.5 in all work attempted while enrolled in not less than twelve semester hours and have earned a "CR" in all developmental coursework. A student may have no courses with a mark of X, IP, or MG.

With the addition of the Polytechnic College, students pursuing an Associate of Applied Science (AAS) degree are considered undergraduate students and are eligible for inclusion on the President's and Dean's Lists if all other criteria are met. Students enrolled in certificate-only programs are not eligible for inclusion.

Students who have opted out of FERPA release of directory information will not have their names published.
