Details

College Level Ready

- This placement does not require a corequisite section, such as N014 or N024.
- This placement can also be achieved through [TSI exemptions](#).

Dev. Ed. Level Algebraic MATH 0331

- This placement requires students to enroll in MATH 0331. This course has no registration restrictions.
- In order to move on to Dev. Ed Level High Support with Co-Requisite, students must pass MATH 0331 with a final grade of “C.”
 - A final grade of “A” or “B” in MATH 0331 gives students a Dev. Ed. Level Low Support.
 - A final grade of “D” or “F” in MATH 0331 will require students to retake MATH 0331 until the minimum grade of “C” is earned.

Dev. Ed. Level High Support with Co-Requisite Option

- This placement requires that students be concurrently enrolled in their core math and a support course.
- Students with this placement have reserved sections of their core math, MATH 1314 and MATH 1324. These section numbers will be marked with the letter “H.”
- The support courses for the Algebraic track are MATH N014 and MATH N024.

Math Algebraic – Low Support

In addition to our high support developmental work, we also offer a low support type for students who meet certain criteria as noted in the table below. This support type also has reserved section numbers of their College Level Math, sections marked with the letter “L,” but only has one corequisite support course that pairs with all College Level Math sections.
