1.0 UDC Mission Statement and Goals
   • Minor revisions to the mission statement and objectives have been accepted as amended.

2.0 Future Meeting Topics/Procedures
   • A form will be distributed for members to request topics at future meetings.

3.0 Diversity and Inclusion Climate Survey
   • This type of survey to discover our climate and culture would be essential for this committee to go forward.
   • More research is needed from USC Race and Equity Center to decide if this is the assessment tool that would be used to incorporate all students, staff and faculty.
   • Need Faculty Senate, Staff Council and University Diversity Committee buy-in for VP Parker to go forward to the President to receive funding for going forward with this survey. VP Parker will visit with Chairs of Faculty Senate, Staff Council, and SGA President for their input and approval.

4.0 Establish several subcommittees:
   • Work on the website http://www.shsu.edu/udc
   • Work on developing a listing of programming and services that the University provides in various departments.
   • Work on plan for upcoming climate survey.
